

Why you
need a
chemical
peel

- Professionally applied peel solutions exfoliate dead skin cells and help healthy skin cells rise to the surface.
- These treatments allow deeper layers of fresh and untouched skin to be revealed.
- The result of monthly treatments can even skin tone, clear acne, improve the appearance of aging skin and make dull complexions glow.

YogaFace & Body Spa

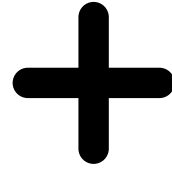

Peels are safe for all skin types, and PCA Certified Professionals are trained to identify what treatment combination is safe for each person's skin in order for patients to reap the greatest benefits.

YogaFace estheticians are certified to administer professional PCA Skin Peels and continually ensure customer safety as a major priority when applying them.
